

Obscenity is ALWAYS illegal!

FACTS:

- Obscenity is not protected under the First Amendment rights to free speech
- Violations of federal obscenity laws are criminal offenses
- Obscenity materials include visual depictions, spoken words or written text
- Federal law strictly prohibits the distribution of obscene matter to minors including over the internet
- Indiana Statute IC -35-49-3-4 allows educators to give minors access to obscene and pornographic materials.

**Teachers can groom entire classrooms; all while being shielded if there is any tiny portion that could be considered legally "educational" in the erotic materials.

OBSCENITY EXEMPTION LOOPHOLE

School employees, administrators or Librarians can give damaging and erotic materials to our children! They hide behind a loophole called the **Obscenity Exemption Statute (OES).**

** The Obscenity Exemption Statute (OES) shields Indiana administrators and teachers from arrest and prosecution when showing illegal obscenity to your children or grandchildren.

**States passed these statutes in the 1970's. They were based on 2 books written by Alfred Kinsey which contained tables of data displaying the number of orgasms in a 24-hour period on children and babies as young as two months old. Kinsey was a pedophile in the United States but was somehow able to hide that from others for many years.

Alarming Statistics

- 51% of 11 to 13-year-olds reported that they had seen pornography at some point.
- 66% of 14 to 15-year-olds reported that they had seen pornography at some point

Psychological Correlations

*When a child or adolescent is directly exposed to pornography the following effects have been documented.

- Lasting negative or traumatic emotional responses
- Earlier onset of first sexual intercourse, thereby increasing the risk of STDs over the lifespan
- The belief that being married or having a family are unattractive prospects
- Teens are at a great risk of developing a pornography addiction as their brains are still developing
- The belief that superior sexual satisfaction is attainable without having affection for one's partner

What Can You Do?

- Research/Read the materials your children are using.
- Make sure to have an open line of communication with any adult providing information to your child and do not be afraid to ask questions or request alternative assignments.
- Knowledge is power, spread the word!
- Educate your elected officials and school board, many are unaware this is happening.
- Get on our mailing list and join us in fighting to close this loophole!

Examples of Obscenity for Indiana Minors

Indianapolis Public Library- Section: Children's Nonfiction

Source: **It's Perfectly Normal**, by authors Robie H. Harris and Michael Emberley. 20th Anniversary Edition (For ages 10 and up)

*Note: The graphics in the book do NOT have these black boxes.

**Cartoon obscenity is particularly bad for children, because they have no natural mental defenses while looking at cartoons. Quote from It's Perfectly Normal, "Sexual Intercourse- 'having sex' – can involve the penis and the vagina, or the mouth and the genitals, or the penis and the anus."

Carmel High School

Exit Here. by Jason Myers

Text- Sitting up, Maggie puts her mouth over my cock and gives me head for like twenty minutes, but nothing happens. I try jerking off. I spit on myself and she tries jerking it off. She gives me more head and I still can't get it up.

"F**king great", she snaps.

An hour passes. Nothing.

"Will you at least eat me out?" she asks.

Yeah, I can do that.

So I crawl in between her legs and stick my tongue on her p**y and start to give her head, but like five minutes into it she shoves me away.

"What are you doing, Travis?"

"What?"

"That doesn't even feel good. You didn't touch my cl*t once."

"I didn't?"

Maggie groans loudly. "Are you a virgin?"

I shake my head.

"Well, you need to learn a few things. I'm serious." She reaches into her nightstand and pulls a dildo out and tells me to put my underwear and pants on.

Fort Wayne North Side High School

Dumplin' by Julie Murphy

Text- Without me even having to ask, El gives me every gory detail of losing her virginity. They did it in Tim's bedroom because his mom was out of town visiting his grandma, and his dad, a police officer, was working the late shift.

We lay nose to nose in my bed with the lights off. "How did it feel?" I ask. "Not it, but like, how did it make you feel?"

She closes her eyes for a second. "I felt, in control. Like, of my life." She opens her eyes. "And loved. But I feel funny too."

p. 43

Text- She squints her eyes at me for a second before smiling and thumbing through her boyfriend's wallet for a twenty. "Holy sh*t. Did you completely die when" – she lowers her voice- "Ellen told you about her and Tim's oral mishap?"

p. 50

Text- If El even feels one-tenth of this with Tim, then I don't know how she waited so long to have sex, because when Bo's lips move against mine, I can think of nothing outside of us.

p. 58

Text- "Why are you so happy?"

"I don't know. I'm alive. Life doesn't suck. Schools start in a week." She slams a cabinet door shut and whirls around. "And maybe I am not so sucky at having sex anymore?"

Noblesville High School

One of Us is Lying by Karen M. McManus

Text- After a minute Jake leans down to kiss me, his hand sliding under my shirt...

"Is this okay?" Jake's eyes scan my face. "Or would you rather just hang out?" His brows rise like it's a real question, but his hand keeps inching lower. I never turn Jake down. It's like my mother said when she first took me to get birth control: If say no too much, pretty soon someone else will say yes.

Anyway, I want it as much as he does. I live for these

moments of closeness with Jake; I'd crawl inside him if I could.

"More than okay, "I say, and pull him on top of me.

Avon High School

Wide Awake by David Levithan

(sex Scene between 2 boys)

Yes. Wait. Me. There. Mmm. Yes. Turn. You. Breathe. Grasp. Sweat. Yes. Over. Lower. More. Slow. Yes. Y E S. Now.

I loved being naked with him. I loved watching him when his eyes were closed, when he lost control, when he let go and let me take him.

I loved when my whole body felt a part of it, when I would grasp and glide and press without having to think about it. When I let go and let my body take me.
